RESPECT

You can have respect for someone because you admire something about them

You can have respect for someone's feelings, their wishes or their rights

You can have respect for things other than humans or things that aren't living

Why should we have RESPECT?

Do we like people to be rude to us?

Do we like people to ignore us?

Do we like people to hurt us?

Do we like people to not trust us?

Do we like people to take our things?

Do we like people to break or spoil our things?

Do we like people to mess up our special places?

Do we like people to spoil our experiences?

We can't expect to be respected unless we
show RESPECT.

A prayer for all of us

*Here in our school
Let us be peaceful at all times.
Let our rooms be full of happiness
and RESPECT for each other.
Let love be in our hearts
With kindness and compassion for all.
Let us remember
In learning together,
We grow together
And succeed together.*

A quiet moment of reflection or prayer

As we reflect, think about the importance of Respect and how you will make your communities a better place to be.
