A reading from the Acts of the Apostles (4: 32 – 35)

All those who believed in Jesus were united in heart and in mind. They were a community and shared everything they had with one another...

No one in the community was poor or in need because everyone shared...

Responsibility

If we want peace, we have the responsibility to be peaceful.

If we want a clean world, we have the responsibility to care for nature.

Responsibility is doing your share.

Responsibility is carrying out duties with integrity.

When one is responsible, there is the contentment of having made a contribution.

As a responsible person, I have something worthwhile to offer—so do others.

A responsible person knows how to be fair, seeing that each gets a share.

With rights there are responsibilities.

Responsibility is using our resources to generate a positive change.

A prayer for all of us

Here in our school

Let us live responsibly at all times.

*Let our rooms be full of happiness
and respect for each other.*

Let love be in our hearts

With kindness and compassion for all.

Let us remember

In learning together,

We grow together

And succeed together.
