

St Marks Catholic Primary School

Spring One in Year 6

English

We are going to be rewriting a chapter from our class reader from another character's perspective.

We are reading...

We will be focussing on:

- Using paragraphs to organise my structure
- Maintaining the plot consistently
- Linking ideas across paragraphs
- Describing setting, characters and atmosphere
- Using verb tense consistently
- Integrating dialogue into my text

Children will read during guided reading sessions. We will be developing our pronunciation of unfamiliar words and determining their meaning. In guided reading sessions we will develop our skills in deducing and inferring characters' thoughts, feelings and motives for their actions. Children should read 4 times per week at home. Reading records will be collected and marked on a Friday.

Maths

We will be looking at:

- Ratio
 - Real world problems
 - Simplifying
- Algebra
 - Solving equations using formulae
 - Expressions
 - Finding missing values
- Decimals
 - Rounding
 - Adding, subtracting, multiplying and dividing

Science

We are being physicists and our topic is 'Light'.

We will be:

- Describing how light travels and how it helps us to see
- Understand how shadows are formed
- Complete investigations
- Understand refraction

RE

We will consider and discuss:

- Sources
 - Explore the sources of God's teachings
 - Look at some of the origins of Christianity
- Unity
 - How we as Christians are all united in God's Family
 - Explore the word unity on a wider scale

History

We are going to be learning about Ancient Greece.

We will be learning about:

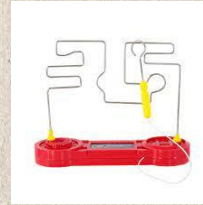

- Ancient Greek Gods
- Ancient Greek Architecture
- Early political systems
- The role of people in ancient Greece

Design and Technology

We will be learning to design, market and make a product.

We will be creating buzzer games using our prior knowledge of circuit building in Science. We will be focusing on designing a product to a brief using a set design process, making said product and then going through a process of evaluation to see how we could improve our designs.

Music

We are going to be Pop Musicians.

We will be:

- Exploring Carole King's classic song "You've Got a Friend"
- Understanding the ways to change and manipulate existing music to make something new

PSHE/RSHE

We Will be continuing to follow the RSHE Curriculum through the Diocese approved TENTEN website.

Within our PSHE lessons we will be learning how to be compassionate towards others. and living things and how we have shared responsibility in.

French

We will be:

- Learning to talk about things in our town.

En ville, il y a ...

la bibliothèque la gare la piscine l'église
le stade le musée les magasins

PE

We will be:

- performing dances using a range of movement patterns
- developing flexibility, strength, technique, control and balance
- comparing performances with previous ones and demonstrate improvement to achieve their personal best.
